Carl Sandburg

RECALL:

What is on your blueprint?

LO: Guided and Independent write.

- Some will even write an additional verse, maintaining Carl's style.
- Some will create a mood:
mystery/loneliness/business/excitement.
- Most will link the animal and the city.
- All will write two verse in the style of Carl Sandburg.

Plan:

What do I want to include in my poem?

Guided Write:

The drizzle falls
on springy frog webbed toes.

It leaps quickly
into gaps between city dwellers' feet
on aching legs
and then continues searching for a puddle.
